

Property Assessed Clean Energy

ABOUT WILLDAN

Founded in 1964, Willdan is a leading nationwide provider of value-added professional technical and consulting services. Our clients include more than 1,200 cities, counties, state agencies, port authorities, housing agencies, special districts, and school districts in over 35 states. Willdan Financial Services specializes in providing revenue generation enhancement, compliance reporting, and administration services to public agencies. We are a service-oriented firm that delivers a high quality product to public agencies – and ultimately, to the public.
